

Fall E-news with Mother Goose September 2008 Volume 14

Where has the time gone? I always have good intentions about getting a newsletter published and then it is too late. I am going to be short and sweet!

I hope you are off to another wonderful school year. Fresh smiling faces are such a delight. I have already visited with several Kindergarten classes and it has been my pleasure to meet wonderful children as they are on the road to learning!

I continue to remind the children that their smile is what really looks the best on them. No matter where they are or what they are wearing...they can always wear their smile.

Here is a simple activity for auditory processing:

IF YOU ARE WEARING STRIPES....SHOW ME A SMILE
IF YOU HAVE A POCKET...SHOW ME A SMILE
IF YOU HAVE ON A ZIPPER...SHOW ME YOUR SMILE
IF YOU HAVE A COLLAR ON YOUR SHIRT...SHOW ME YOUR SMILE

You can watch to see who is processing the information and joining in.

Another option is:

LET'S ALL SMILE AT SOMEONE WHOSE NAME STARTS WITH A P...GOOD... PATRICK
LET'S ALL SMILE AT SOMEONE WHOSE NAME STARTS WITH AN R....GOOD....ROSE
LET'S ALL SMILE AT SOMEONE WHOSE NAME STARTS WITH A C....GOOD CURTIS

Here is an easy song to share:

PUT YOUR SMILE ON TODAY, ON TODAY, ON TODAY...
YOU CAN SHARE IT RIGHT AWAY...NOW SMILE RIGHT AT ME (AT CARSON, AT NATALIE ETC)

Tune: Mary had a little lamb

It is always good to be thankful and children need to hear simple words of gratitude!

Thank you God for rainy days...and for sunny weather!
Thank you for the friends we have.... and that we're all together.

Thank you for the grass so green and for the clouds so white.
Thank you for the sun that shines and for the moon so bright.

Thank you for my teacher and for my family...
Thank you for the food we eat...it's yummy as can be!

Thank you for the flowers and thank you for the trees! 
Thank you for the butterflies and for the bumblebees!

Thank you God for rainy days and for sunny weather...
Thank you for the friends we have and that we're all together!
